FBI REVIEW COMPLETED

Honorable Allen W. Dulles Director Central Intelligence Agency Administration Building 2430 E Street, Northwest Washington 25, D. C.

My dear Mr. Dulles:

Information has been received by this Bureau from an unimpeachable and most sensitive source that a Soviet undercover espionage agent operating in this country has been alerted to the present international situation and received instructions to develop information immediately relative to the preparation of the United States for mobilization and information relative to the movement of military forces. In addition, this undercover agent is being furnished in advance reserve funds and supplies beyond the normal amount for use in his communications.

The above information has been made available to appropriate officials of our Government.

Sincerely yours,

J. 2 dyar Hoover
